

OIL INTEL

HD GRIT HAND CLEANER

HEAVY-DUTY LIQUID HAND CLEANER

Biodegradable, free-flowing citrus-based grit hand cleaner with a natural moisturiser specially designed to remove grease, ink and heavy-duty soiling safely from hands. Contains a glass-dust abrasive to penetrate ingrained soiling. Medium-level strength for robust, yet gentle hand cleaning. Polybead-free formula for better environmental protection. Can be used as a waterless hand cleaner in remote locations.

Main Features & Benefits

- Contains a natural citrus solvent
- Moisturising formulation
- Penetrates grease and removes ingrained soiling
- Contains a unique glass-dust abrasive

Directions

Work hand cleaner directly onto hands then rinse off. For heavier/ingrained soiling, repeat as necessary. When using without water-rinsing, wipe excess thoroughly off hands with a clean rag or a paper towel.
