

F-GREASE 112

White Waterproof Grease

F-GREASE 112 is an exceptionally waterproof food-grade grease, manufactured and developed mainly for all lubrication in food-processing plants etc. The grease is developed for use in a wide range of applications, endures heavy loads, high temperatures and has very good mechanical stability. High durability against solvents and acids – does not get rancid. White Grease is suitable for all kinds of grease-lubrication; ball-bearings, bushings, joints, chucks. etc.

Properties	Applications
Waterproof	Food processing industry
Endures heavy loads	Bearings
Wide working temperature range	Bushings
Food grade lubricant	Joints
	etc.

TECHNICAL DATA

NLGI grade		2
Colour		White
Base oil		Paraffinic
Base oil viscosity at 40°C, mm ² /s	ISO 3104	180
Thickener		Calcium complex
Drop point °C	ISO 2176	>260
Application temperature range, °C		-24 to +157
4 ball test N	DIN 51350	3150

MPI approved C15
(All animal product except dairy)
