# OPERATIONS AT LEVEL 2

Oil Intel branches are all operational within Alert Level 2. We follow strict hygiene and physical distancing rules to ensure the safety of all. We rely on the vigilance of those we interact with to continue to operate safely.

- When visiting any of our sites please ensure you make yourself known to our Branch Operations team for our contact tracing procedure.
- Our team will always phone ahead to check whether an onsite visit is ok and to ascertain customers procedures prior to any visit.
- Always maintain a 2-metre distance to others.
- Ensure to wash your hands repeatedly throughout the day.
- If you are unwell, do not visit our premises. Stay home.

**If you have any questions please contact any member of our team.**
